2020|2021 PRICE BOOK

EFFECTIVE 8.2.2020

What's New for 2020?

Coranto™ Kitchen Collection Trade Exclusive

A contemporary take on traditional styling, this refined collection brings calm and everyday elegance to a space.

Kayra™ Bath Collection Trade Exclusive

Fluid and seamless, the stretched feminine form and unbroken lines create a clean, elevating design.

H_2Okinetic® Shower Heads with PowerDrench® & UltraSoak™ Sprays

UltraSoak™ Spray mimics a dense, natural rainfall to provide a soothing, saturating shower using H_2Okinetic® Technology.

Emmeline™ Kitchen Collection Focus Product

Notice the defined ridges and the diamond-shaped spout, which together cut a streamlined profile.

Trillian™ Bath Collection Focus Product

Like the gemstone cut it's named after, this collection catches the light as well as the eye.

Stryke® Bath Collection Spout and Finish Expansion

Options within the collection now include a distinctive new spout, plus the soothing, ornate Venetian Bronze® finish.

In2ition® H_2Okinetic® Two-in-One Shower Head with Hand Shower

In2ition® showers now feature a new design aesthetic that offers increased functionality, while highlighting additional innovations.

Metal Glass Rinser

From baby bottles to wine glasses to travel cups, spend less time soaking and scrubbing.

Lumicoat™ Finishes

Ultra-sleek surface repels liquids, resisting water spots and staying cleaner longer.

2019 WaterSense® Sustained Excellence Award Winner

Delta Faucet Company places a high priority on products that address today's water conservation concerns and promote water quality and accessibility. Both the EPA and Delta Faucet share the belief that it is possible to create products that are both water-efficient and high performing without taking away from the end user's experience.

Delta Faucet Company is proud to be an EPA's 2011, 2013 and 2014 WaterSense® Partner of the Year and a Sustained Excellence Award Winner for 2015, 2016, 2017, 2018 and 2019.

Command Your Kitchen.

VoiceIQ™ Technology

Delta® VoiceIQ™ Technology pairs with Amazon® Alexa®- and Google® Assistant-enabled devices to dispense exactly the amount of water needed with hands-free voice activation. Command the faucet to turn on and off, warm the water, dispense a metered amount or fill custom containers like a coffee pot.

NEW! Activate "handwash mode" feature to make it a little easier to practice CDC-recommended handwashing techniques.

Touch$_2$O® Technology

Touch it on. Touch it off. Delta® Touch$_2$O® Technology makes kitchen tasks easy: simply touch anywhere on the spout or handle with your wrist or forearm to start and stop the flow of water.

The convenience and control can be experienced across a variety of our kitchen collections.

Trade Exclusives

Delta Faucet Company is committed to Trade advocacy, and it will continue to be built upon, now and into the future. One of these commitments is the introduction of Delta® brand's first launch of Trade exclusive collections. These collections are available only to Delta Trade customers' brick-and-mortar locations and their authorized online stores.

TERMS OF SALE

WARRANTY
These Delta® products, when purchased from authorized Delta sellers, are warranted to the original consumer purchaser or commercial user. Because Delta Faucet Company is unable to control the quality of Delta products sold by unauthorized sellers, unless otherwise prohibited by law, the warranty does not cover Delta products purchased from unauthorized sellers. Please refer to the "Limited Warranty" enclosed with each Delta product for specific details. The Limited Warranty is also available at: https://www.deltafaucet.com/service-parts/warranty. Additional copies are available upon request.

RETURNED GOODS
Merchandise MAY NOT be returned for credit or replacement without prior inspection and written authorization from Delta Faucet Company (DFC). Any unauthorized return of products is expressly prohibited. A handling charge of 50% will be assessed against anyone attempting to return merchandise without prior authorization. Only product purchased directly from Delta Faucet Company by a wholesaler will be authorized for return. NO EXCEPTIONS.

WARRANTY RETURNS
A full wholesale price credit will be issued to authorized Delta Faucet wholesaler customers for returned merchandise that is defective as described in the warranty. The defective merchandise must be shipped freight prepaid by the least costly method of shipment and the freight cost of such shipment will be added to the price credit. If a replacement is made rather than a credit issued, Delta Faucet Company will ship the replacement freight prepaid. Product returned as defective that is found to be misused, abused, modified or otherwise NOT DEFECTIVE will receive credit at scrap value only.

OTHER RETURNS
All other returns will be handled in accordance with the then-current DFC Return Policy for Non-Defective Faucets, copies of which are available upon request.

PRICES
All prices and specifications of models are subject to change without notice. Orders will be invoiced at the prices prevailing at time of shipment.

NOTE
All orders are subject to all applicable DFC policies in effect at the time of order.

These Terms of Sale are subject to change without notice.

RETURN ADDRESS
All returns are to be sent to the following address:
